

August 18, 2009

Dear choir folks:

Hello! It's time! Time to return to Chancel Choir! We will begin rehearsals on Thursday, September 10th, at 7:30 pm in the choir room. Our first Sunday service will be September 13<sup>h</sup>. This is later than usual, due to the late Labor Day date.

It is always a good time to recruit new members for our choir. We need some new, and yes, younger members for our choir. I will be recruiting this fall for members as well. If you hear a voice that could be an asset to our choir, please invite them until they come.

We need to find replacements and new recruits to help our choir grow. I have found that the reason I join something is because someone directly involved with a group asked me if I were interested. I'd like each of you, myself included, to "beat the bushes", and directly ask five people to join our choir. Be sure to tell them that they are not required to sing two services every Sunday if they would like to sing just one.

Our first few weeks look like this:

9/10 Rehearsal -7:30 (continuing all year except Thanksgiving and Christmas break)

9/13 I Surrender All Hayes

9/20 Lord, Here am I J.N. Beck

9/27 Song of the Garo Christians . Cain

10/4 Come to the table Nagy

10/11 We've Come This Far By Faith M. Hayes

10/18 No Chancel

10/25 When the Saints Go Marching In(W/ NSS) J. Rutter

We will have a LOT of music to learn this fall, so please come and join us in the fun and worship of our Lord. I hope you all are able to come and learn the new and brush up the old. Remember, the more constant your attendance is, the more new and challenging music we can sing. I am grateful for your commitment to our choir and I am looking forward to singing and worshipping with you!!!! See you soon!

For Him we sing,
