COME, AND LET'S STUDY TOGETHER THE WORD OF LIFE!

In a recent study, the Barna Research Group revealed a stunning statistic that continues to reverberate throughout the evangelical world. Only nine percent of professing Christians have a Biblical worldview...

The Truth Project is a DVD-based small group curriculum comprised of thirteen one-hour lessons taught by Dr. Del Tackett. This home study is the starting point for looking at life from a biblical perspective. Each lesson discusses in great detail the relevance and importance of living the Christian worldview in daily life.

<http://www.thetruthproject.org/whatistruthproject/>

Join us for the Truth Project beginning on September 7. We will meet at 9:15 to view the hour long video and then discuss what we have learned. The videos look at how God has instructed people in areas including Ethics, Science, History, Sociology, Education, and Labor. Please join us for this intriguing, thought provoking study.
